## Decor products with unique textured finishes

### What is IMAGin® Deco?

IMAGin DecoFresco, DecoMural & DecoSilky are wall media in Mactac's popular décor product range with unique finishes that can be used on almost any smooth wall. DecoFresco is a matte PVC with a brushed organic texture for inkjet printing. With deep texture, DecoFresco provides a unique finish to any décor application. DecoMural is ideal for providing a long-term textured wall mural to any smooth wall. Easy to install and scratch resistant, DecoMural has medium texture and feel, which allows for a clean rich looking graphic. DecoSilky give digital prints a unique, woven look, feel and texture. Self-adhesive fabric for eco-solvent, Latex and UV printing.
